

For Immediate release: Jarrett Leiker wins Three Gold Medals for Team USA

World Kickboxing and Karate World Championships, 2010

Edinburgh, Scotland October 23rd -October 30th

Jarrett Leiker, 24 of Kansas City once again led the United States team with three Gold Medals at the 2010 WKA World Championships in Edinburgh, Scotland held last week. The WKA World Championships are the largest and longest running organizational championships for sport martial arts in the world. The championships began with the opening ceremonies held in the historical Edinburgh Castle and competition was held in the Edinburgh Meadowbank Sports Center.

Leiker qualified in six events and made it to the medal round of competition in all six events. Leiker claimed Bronze Medals in Hard Style Forms & Traditional Japanese Forms. He claimed the Silver Medal in Creative Weapons and was crowned the Gold Medalist and World Champion in Musical Weapons, Korean Forms and Traditional Weapons. Leiker is the repeat World Champion in Traditional Weapons, Korean Forms and Musical Weapons.

Leiker was an Honor Student Graduate from Rockhurst University and currently attends the UMKC Law School. He is an Instructor in his family's martial arts school, Amerikick Martial Arts here in Overland Park, Kansas. He is also the current 2010 World Champion in Korean Forms and Traditional Weapons with NASKA (North American Sport Karate Association), the United States longest running and most prestigious North American Sport Karate circuit.

Two of Leikers' students qualified, competed and medaled in the prestigious WKA World Championships along with Leiker and returned with decorated honors. Jackson Finlay, 16 finished with a Silver Medal in the 15-17 Year old Traditional Weapons category and a Bronze Medal in Hard Style Forms. Jason Pugh, 16 received the Bronze Medal in Traditional Weapons in the same age group. Finlay is a student at Rockhurst High School and Pugh is a student at Shawnee Mission East High School.

More than 50 countries were in attendance for the world wide event.
