

Speaker 1: 911, do you need police, fire or medical?

Speaker 2: Um, maybe both. I'm not sure. There is just someone screaming outside.

Speaker 1: Okay, what's the address that they're near? Is it \*\*\*\*?

Speaker 2: Yes.

Speaker 1: Okay. And is it a male or a female?

Speaker 2: It sounds like a male.

Speaker 1: And you don't know why?

Speaker 2: I don't know why. I think they're yelling help but I don't know. Send someone quick \*\*\*\*.

Speaker 1: Okay, does he look hurt to you?

Speaker 2: I can't see him. I don't wanna go out there. I don't know what's going on, so.

Next Speaker: \*\*\*\*.

Speaker 2: They're sending.

Speaker 1: So you think he's yelling help?

Speaker 2: Yes.

Speaker 1: Alright, what is your \*\*\*\* number?

Speaker 2: Just, there's gunshots.

Speaker 1: You just heard gunshots?

Speaker 2: Yes.

Speaker 1: How many?

Speaker 2: Just one. Get down.

Next Speaker: I know.

Speaker 2: No, come here.

Speaker 1: Is he no longer yelling?

Speaker 2: Babe, come on. No one's, I don't know. Get in here now. Get up here.

Speaker 1: Alright, is he right outside?

Speaker 2: Yeah, pretty much. Out the back, yes.

Next Speaker: \*\*\*\* gunshots.

Speaker 1: Is he in front of it or behind that address?

Speaker 2: He's behind my house.

Speaker 1: Okay.

Speaker 2: Just stay away from the windows.

Speaker 1: I don't hear him yelling anymore. Do you hear anything?

Speaker 2: No, I don't because I'm hiding upstairs. There was, there was a gunshot right outside our house. I mean, you've already sent someone already, right?

Speaker 1: Yes, it's in dispatch. What's your name and phone number?

Speaker 2: My name is \*\*\*\*.

Speaker 1: How do you spell your last name?

Speaker 2: \*\*\*\*.

Speaker 1: Okay. Alright, do you hear any vehicles leaving or anyone else? Do you hear anything right now?

Speaker 2: There's people yelling out there but I don't want to go down there, so.

Speaker 1: Okay, multiple people are yelling now?

Speaker 2: Yeah.

Speaker 1: Okay. Alright, well we do have officers on the way. Just call us back if you do hear or see anything else suspicious, like any vehicles leaving or anything like that, okay?

Speaker 2: Okay.

Speaker 1: Alright, thank you.

Speaker 2: Bye.

Speaker 1: Bye.
